

## **BOOK LAUNCH AND BOOK READING**

FOR A NEW WORK ON

**GARY SNYDER, ZEN, AND THE ECOLOGICAL CRISIS**

**SATURDAY, AUGUST 5, 2017 at 2 PM**

**@ THE OPEN BOOK**

671 MALTMAN DRIVE, GRASS VALLEY, CA 95945 · (530) 273-4002

**GARY SNYDER** as well as **JASON WIRTH** (book author) and **NATHAN WIRTH** (cover artist) will speak and sign copies of the book. Norman Foster Roshi had hoped to attend this launch, but had to attend some scheduled meetings of a Zen Teachers Association. However **DALE PENDELL**, a poet, author, and scholar who is a long-term part of the Ring of Bone Sangha, has agreed to say a few words on “Zen and Nature” and read a few poems. He has been on many Mountains and Rivers Sesshin in the mountains of the West. Snyder will read a couple of his *Mountains and Rivers* poems also.

A few other books will be available.
